LinkedIn: <https://www.linkedin.com/in/atul-s-patil>

Address: Chatrapati Sambhajinagar, Maharashtra

TECHNICAL SUMMARY

Java Full Stack Developer with 5+ years of experience in enterprise web applications and CMS platforms. Skilled in Java, Spring Boot, REST APIs, and frontend development using TypeScript and Lit Web Components. Experienced in building scalable systems, automating workflows, and modernizing legacy applications with component-based architecture and CI/CD pipelines.

PROFESSIONAL EXPERIENCE

Cognizant Technology Solutions Associate

December 2020 – December 2024
Hyderabad

- Developed and maintained enterprise healthcare websites across multiple global regions using Open-Text TeamSite, CCProfessional, and Estudio
- Designed and implemented complex content deployment workflows for webpages and blogs, improving publishing efficiency and reducing manual intervention by ~40%
- Built end-to-end CMS-driven components using Forms API, XSLT, XML, and JSON, integrating backend content structures with responsive front-end interfaces
- Developed and enhanced UI components using HTML, CSS, and JavaScript to deliver user-friendly and accessible web experiences
- Led the migration of legacy UI components to Lit Web Components, improving component reusability, maintainability, and front-end performance

Cognizant Technology Solutions Associate

January 2025 – Present
Pune

- Developed and maintained backend microservices using Java and Spring Boot for an internal platform in the general insurance domain
- Migrated legacy CI/CD pipelines to GitHub Actions as part of a modernization initiative, reducing deployment time by ~25% and improving build reliability
- Contributed to the redesign of legacy JSP-based modules to React-based architecture, enhancing user experience and frontend maintainability
- Collaborated in Agile development processes including sprint planning, daily stand-ups, and Jira-based task tracking to deliver features efficiently
- Participated in system improvements and modularization efforts to support scalable and maintainable application architecture

EDUCATION

R. C. Patel Institute of Technology

Bachelor of Computer Engineering, Shirpur, Maharashtra
CGPA: 8.10

August 2017 – September 2020

Government Polytechnic

Diploma in Computer Engineering, Jalgaon, Maharashtra
Percentage: 74.06

August 2014 – May 2017
